FAQs

When is pick-up?

Students should be ***picked up promptly at 4 p.m. by Door 1 by the flagpole***, unless they go to Family Services.

Do you provide transportation?

We are not able to provide transportation, so if your student rides a bus or daycare van, please arrange transportation. Students who attend Family Service will return there after club.

How many clubs may students be in?

Due to high demand, students may only be in one club per quarter.

Are scholarships available?

Yes; requests for scholarships are accepted via the Google form above or via request to the school principal.

Are there refunds?

Absences and cancellations due to school closure/weather or illness will not be refunded.

What if a club doesn't fill up?

Beattie PTO reserves the right to reschedule a club for another quarter if a club quota isn't met.

Can my student pack a snack?

Children may pack a snack/drink to eat between the end of school and the start of club.

How does the lottery work?

Beattie PTO uses a random number generator to assign students to club openings based on their interests. This method ensures equity among Beattie students interested in participating in clubs.

Why do clubs cost \$20?

Beattie PTO prioritizes paying teachers of clubs and for substitutes when illnesses of club leaders (external or internal) occur. It also pays for club supplies as needed. Costs run upwards of \$1,500 per quarter. This allows clubs to be self-sustaining for the long-term. Without them, PTO could not offer after-school interest clubs.
